KICKINGBIRD TENNIS CENTER Junior Tennis Programs Home School Classes Jan 16-Feb 6, 2019

ABOUT US & OUR MISSION

What makes Kickingbird Junior program different? Kickingbird believes that tennis is a journey, and our goal is to grow and nurture our junior players throughout their journey.

We structured our Junior program to develop the skills and fundamentals of tennis for players of all ages and abilities. The 10 & under program allows the player to progress from lower compression balls to heavier compression balls with the use of modified courts and smaller racquets.

We utilize games and drills to incorporate learning accurate technique, proper footwork, strong focus/concentration skills, and to encourage health and fitness on and off the court.

Kickingbird's tennis professionals include USPTA elite and master certified coaches who possess junior and collegiate coaching experience. We also have coaches that have achieved world rankings on the ATP Men's Professional Tour as well as represented their country on the Davis Cup.

Our coaching staff continues to stay current with the newest teaching methods by attending USPTA and USTA workshops. Coaches work together through weekly staff meetings to provide our players with consistent instruction and constructive feedback to attain their goals.
